

## Dartmoor

### My favourite place in Devon

*I see amazing post offices that are open,*

*I see beautiful buzzards soaring in the sky,*

*I see wonderful tours up on the moor,*

*I see gigantic birds nesting in the tree,*

*I hear the calm breeze rustling in the leaves,*

*I hear splashing streams crashing against the rocks,*

*I hear the beautiful waves of the smashing river,*

*I hear plants swaying in the breeze,*

*I feel excited, seeing all the amazing animals,*

*I feel happy, when I feel the breeze,*

*I feel amazed, when the animals come out*
